Baking paper

Shake, Rattle, and Roll: Making Your Own Maracas

Step 1

Paint wooden spoons with your preferred acrylic colors. Apply multiple layers for richer color. Leave to dry.

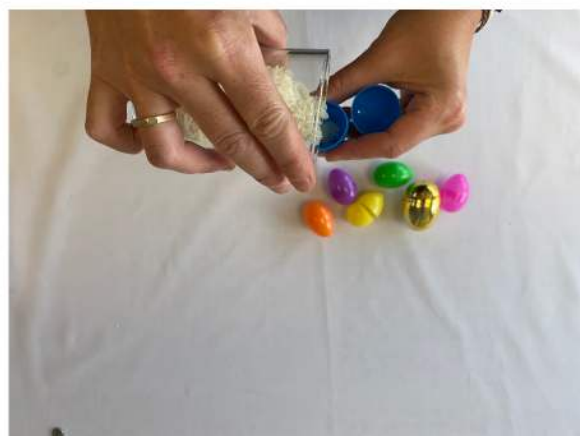

Complete ☐

Step 2

Fill the plastic eggs half full with uncooked rice for the maraca sound.

Complete ☐

Step 3

Once spoons are dry, apply PVA glue on the round side.

Complete ☐

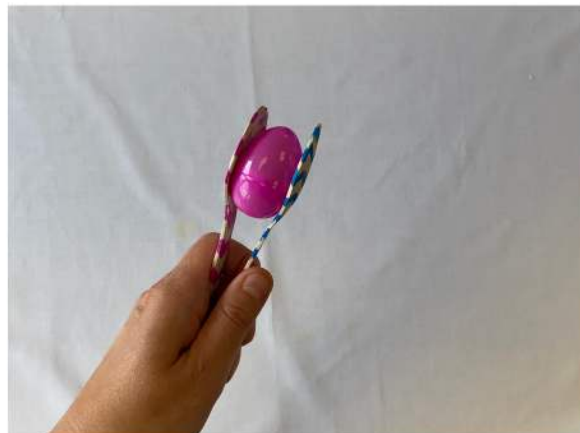

Shake, Rattle, and Roll: Making Your Own Maracas

Step 4

Now stick a spoon to both sides of an egg.
Leave to dry

Complete ☐

Step 5

Reinforce the maraca joint with patterned washi tape for extra security and decoration.

Complete ☐

Step 6

Your maracas are now complete! Shake to create your own rhythm.

Complete ☐
