

The Enchanted Magic Tube

Materials

2 Sheets of Paper

Tape

Old Fabric (any small piece like a handkerchief will work)

Equipment

The Enchanted Magic Tube

Step 1

Roll up one piece of paper into a tube and tape it into place to secure its shape.

Complete ☐

Step 2

Roll a second piece of paper into a tube. Make one end the same size as the other tube and the opposite end slightly smaller.

Complete ☐

Step 3

Insert the second tube into the first tube. Leave a small gap on one side within the interior of the first tube.

The Enchanted Magic Tube

Step 4

Fold and insert the fabric into the gap between the two tubes on one end so it is hidden from the audience's view.

Complete ☐

Step 5

Show your audience the seemingly empty tube with the open ends facing them.

Complete ☐

Step 6

As you hold the tube, pull the fabric out slowly and dramatically, showing the audience your magical trick!
