Wacky Wind Monsters: Fun DIY Activity for Kids

Step 7

Cut your string about 10 inches long and tape it to the top, inside of your cylinder.

Complete ☐

Step 8

Your Whimsical Wind Whirler is now ready. Hang it up in a tree and watch it dance in the wind!

Complete ☐

Step 9

Step 4

Cut crepe paper into strips.

Complete ☐

Step 5

Glue the strips of crepe paper to the bottom of your coloured card, so they hang down.

Complete ☐

Step 6

Roll your cardboard into a cylinder shape, with the face of your monster facing out. Tape the two sides of the cardboard together.

Complete ☐

Step 1

Draw an eyeball on your white paper using pens or crayons. Colour it in and cut it out.

Complete ☐

Step 2

Glue your eyeball into the centre of the coloured card.

Complete ☐

Step 3

Draw fangs on your white paper and cut them out. Draw a mouth underneath the eyeball on your coloured card and glue the fangs inside it.
