

Musical Chairs

Page 1

A classic, energetic game where players circle chairs and scramble to sit when the music stops. Great for parties and group activities.

Equipment Needed

- Chairs (one fewer than the number of players)
- Music player

Step By Step Instructions

Step 1- Set Up Chairs

Arrange the chairs in a circle, alternating facing in and out, one fewer than the number of players.

Step 2- Start the Music

Begin playing music. Players start walking around the chairs.

Step 3- Stop the Music

Randomly stop the music. Players must quickly find a chair to sit in.

Step 4- Elimination

The player left standing without a chair is out. Remove one chair from the circle.

Step 5- Repeat

Continue playing, stopping the music and removing chairs until only one player remains seated.
