

Telephone

A fun and engaging game where a whispered message is passed from player to player, leading to humorous and unexpected changes. Ideal for group entertainment and learning activities.

Step By Step Instructions

Step 1 – Form a Line or Circle

Players sit in a line or circle, close enough to comfortably whisper to each other.

Step 2- Start the Message

The first player comes up with a short, simple message and whispers it to the next person.

Step 3– Pass it Along

Each player whispers what they heard to the next person in line.

Step 4- Final Reveal

The last player announces aloud what they heard.

The Rules

Rule 1- Whisper the message only once to the next player.

Rule 2- Avoid repeating or clarifying the message.

Rule 3- Keep the original message brief to minimize excessive distortion.
