

# Yes or No Game

## Page 1

A quick-witted and engaging game where one player tries to answer questions for 60 seconds without using the words 'yes' or 'no.' Great for developing communication skills and thinking under pressure.

### Equipment Needed

- Timer or stopwatch

### Step By Step Instructions

#### **Step 1-** Choose the Players

Designate one player as the questioner and another as the responder.

#### **Step 2-** Set the Timer

Set a timer for 60 seconds.

#### **Step 3-** Begin Asking Questions

The questioner rapidly fires a series of questions at the responder.

#### **Step 4-** Avoid Yes or No

The responder must answer each question without saying 'yes' or 'no,' and without nodding or shaking their head.

#### **Step 5-** Keep the Pace

The questioner maintains a quick pace to challenge the responder.

#### **Step 6-** Switch Roles

After 60 seconds, players switch roles, giving each participant a chance to answer and ask questions.
